County fixtures must be adhered to, except in exceptional circumstances.

Any re-arranged matches must be agreed by both County Manager, AND the Regional Director.

Confirmation of any re-arranged matches must be received in an email by the Regional Director at least 48 hours prior to fixture.

Any fixture postponed in the first half of the season has to be played by half way point, and if a fixture is cancelled in the second half of season, it has to be played before the final round of matches are played.

County dress code must be adhered to – dark trousers/shirt, shoes and collared shirts (no sporting shirts) which may bear the sponsor logo/county names. Any failure to adhere to these rules will result in loss of frame.

All matches will be played on a Sunday and will commence at 1pm (unless otherwise agreed by both County Managers/captains). The responsibility lies with the away team to contact the home team if there are any problems that may cause a late start. A practice table must be made available to the away team prior to matches commencing.
