Dear Sir/Madam

The **Tuesday Night Pool League**, is now open for entries into the 2015/16 Tuesday night season, and would like to invite team(s) from your Pub/Club to enter. Please could you put up the enclosed poster in your pub to advertise the league to your regulars?

The old Oxford Monday Night Pool League has simply moved to a new night of the week, (previously known as the Oxford Bar Billiards Ltd Pool league) which has been running since 1984. The main reasons for the move are to prevent clashes with the Oxford Monday Night snooker league, as well as to avoid play on the night immediately following the Abingdon Pool league. We have also made some changes to the league match format to broaden the league's appeal and to offer something different from existing local leagues. I hope you are as excited about the newly refreshed league as we are!

The key format changes are that team size has been reduced to **4 players**, each individual player will get more guaranteed frames, and matches will now consist of **singles** as well as **scotch doubles** frames. In Scotch Doubles a pair take alternate shots as opposed to alternate visits i.e. if Player1 pots a ball, their partner Player2 will take the very next shot.

Enclosed you will find a Team Entry Form and Competitions Entry Form. If you are interested please return with the necessary payment by **Tuesday 2<sup>nd</sup> August** for our consideration. For more information, call the secretary Jaz Scott on 07977 449174.

A receipt of entry will be sent. Full details of match rules, regulations and fixtures will be sent out to teams who enter nearer the league start date of **Tuesday 8<sup>th</sup> September**.

Key points:

- ◆ Now on a **Tuesday night**, matches start 8.15pm to finish within licensing hours.
- ◆ **4 person team**, though reserves can be substituted in if extra players are available.
- ◆ Each league match will consist of **8 singles plus 4 scotch doubles** frames; thus each player will play 2 singles and 2 scotch frames (if no reserves used)
- ◆ Each frame is worth 1 point, total points at end of season determine league winners
- ◆ Teams split into separate sections to allow for a mixture of abilities.
- ◆ Food is to be provided by the home team venue.
- ◆ Played to 'Blackball' pool rules
- ◆ Fixtures and Results regularly updated on the web at **[www.ocpf.co.uk](http://www.ocpf.co.uk)**
- ◆ We only accept teams from Oxford and its surrounding villages (within a five mile limit from the City Centre + Kidlington & Abingdon), so no costly away match trips.

- ◆ Free entry into the Team Knockout for all teams entered.
- ◆ Free entry into the Plate Knockout competition for Team Knockout 1st Round losers.
- ◆ Option for players to enter knockout competitions at start of the season including Singles, Doubles and 2-man, Entry = £3 for singles or £4 per pair)
- ◆ Additional competition nights for Scotch Doubles, Ladies Singles & Mixed Doubles
- ◆ Trophies awarded at end of season for winners and runners-up in all competitions

Interested? Then fill out the enclosed forms and return with payment by **Tuesday 2<sup>nd</sup> August.**

Yours Faithfully,

*Jaz Scott*

### Knockout Events held on one specific night – Pay on the night itself!

The Scotch Doubles introduced a couple of years ago has proved a successful format. This year we will treat the Mixed Doubles and Ladies Singles the same way.

No entries will be taken in advance for these events, instead a specific date will be indicated in the fixtures calendar, and players simply turn up to register and pay on the night if they wish to take part (providing they meet the eligibility criteria).

These events will be held at our sponsoring venue(s). Registration will begin at 7pm for 7.30pm start so play can get under way promptly. The intention will be to play up to and including the semi finals all on the same night, unless there is insufficient time available to do so. The deadline for completing any unplayed rounds will be set by the secretary, with the Knockout Finals likely to take place around "Finals Week" towards the end of the fixture calendar.

Entry will remain £3 for singles and £4 per doubles pair – payable on the night only
